

# 35th WATERFORD COPPER COAST SCOUT GROUP

The 35<sup>th</sup> Waterford “Copper Coast” Scout Group formally known as the Dunhill Scout Group, caters for young people from the age of 6 to 20. At the moment the group has 60+ youth members and 15+ Adult/Leader members. The members come from a large catchment area which stretches from Tramore to Stradbally and over to Portlaw. The group provides a very active, exciting outdoor programme which is aimed at empowering the youth members. This is done through the youth working in small independent groups. They learn the basic skills of looking after themselves and their fellow scouts along with a respect for others and the environment around them.

The group presently operates out of Unit 3, Seapoint Ind. estate, Riverstown, Tramore but are in the process of trying to get a home of their own in the Fenor area. The group has seen a huge influx of youth over the past couple of years due to the exciting programme it provides. With the big influx of members we require much more equipment to operate the programme. We are currently short of tents and other vital equipment.

The group hopes to buy some of the required tents and equipment for the youth with funds it generates from the sale of these Jedward Tickets so please help us get those scouts out in the Tents where they belong and purchase your tickets from us. Tickets available from the contacts below.

Thank you for your support.
